Designed with Simplicity and The Beauty of Details in Mind

—adds elegance and turns all your rooms into a collaborative workspace.

The MeetingBoard is completely encased in a metallic material. This enhances the texture, extends the product's service life, and is more environmentally friendly.

Choose between the movable floor stand, sculpted like the legs of a ballet dancer, or the wall mount.

4 universal casters allow you to move the MeetingBoard around easily.

Thanks to the single-cable setup, you can get started within minutes.
